- Collaborated with a student team to develop a mental health awareness website for the STEM 2024 competition, focusing on UI and UX.
- Co-developed a smart water conservation prototype using Arduino, sensors, and everyday tools to encourage reduced water waste.

UNIVERSITY

2025- Present

Involvement

- Active member of cybersecurity club and quantum computing club, expanding knowledge of these concepts by activities, initiatives, and competitions.
- Completed 20+ hours of university community service through volunteer initiatives and campus support activities.
- Music Club leadership. Assisted with event coordination and student engagement activities.

HIGH SCHOOL

2022- 2025

Head of Community Service Club

- Led a 50-member community service club and organized outreach campaigns, including distributing 120 Ramadan care kits to workers.
- Coordinated volunteer efforts and campaign planning for multiple student-led initiatives.

STEM & research

- Participated in 3 STEM clubs and 1 research center.
- Contributed a page to a collaboratively published book now in university libraries.
- Yearly team participation in the STEM competition against grades 6-12

Academic Achievement

- Earned 4 consecutive distinction awards for academic excellence, with a final GPA of 3.99/4.00
- Recognition award for school involvement and academic achievement
- Completed 2 college-level courses during high school studies.

Scouts Leader Assistant

- Participated in 4 survival camps, including a 3-day mountain camp.
- Performed in annual drum ceremonies for VIPs.

EXTRACURRICULARS

Tennis - Competitive player with tournament participation and achievements. 2019- Present

Piano - Certified by UK Exam Boards. Currently at Grade 5 level. 2014- Present

PROFESSIONAL DEVELOPMENT

CTF Workshop | KU Cybersecurity Club x Leet Sec 2026
Intro to Gen AI Workshop | Google 2026
MySQL Explorer | Oracle 2026

OTHER DEVELOPMENT

First Aid, CPR & AED Certification (Level 3) | Hamilton Training/DCAS 2026
Youth Mental Health First Aid Certification | MHFA USA 2026
Core Humanitarian Badge/Certification | disasterready.org 2026

LANGUAGES

Arabic (Native) | English (Fluent – IELTS 8.0) | French (Intermediate – B1)
